

ALLIANCE FOR A GREEN REVOLUTION IN AFRICA (AGRA)
RFP: CONSULTANCY FOR DEVELOPMENT OF FLAGSHIP PROGRAM ON POWERING AND
BOOSTING AGRICULTURAL GRAINS AND SERVICES FLAGSHIP IN KADUNA STATE, NIGERIA

INTRODUCTION

The Alliance for a Green Revolution in Africa (AGRA) is a not-for-profit organization working with African governments, other donors, NGOs, the private sector, and African farmers to significantly and sustainably improve the productivity and incomes of resource poor smallholder farmers in Africa. AGRA aims to ensure that smallholders have what they need to succeed: good seeds and healthy soils; access to markets, information, financing, storage and transport; and policies that provide them with comprehensive support. Through developing Africa's high-potential breadbasket areas, while also boosting farm productivity across more challenging environments, AGRA works to transform smallholder agriculture into a highly productive, efficient, sustainable and competitive system, while protecting the environment. AGRA works across several African Countries including Nigeria.

The Kaduna State government in Nigeria, with the support of AGRA is in the process of developing a five-year flagship program on Boosting Agricultural Value Grains and Services and is seeking the services of a consultant to undertake this work.
