Location: Abuja, Kastina & Zamfara

GOALPrime Organization Nigeria (GPON) is a non-governmental and nonprofit organization that strives to make the life of vulnerable women and children better through revitalized partnership. GPON provides life-skill education and psychosocial support to conflict-affected, WaSH community or camp services, Education in emergency services, Gender-based Violence mitigation services, Child protection service, Protection monitoring services, Nutrition and public health services. GOALPrime has reached over 50,000 vulnerable children and women with life support and life-changing services in the northeast Nigeria. GOALPrime is partnering with UNICEF, Irish Aid, Nigeria Humanitarian Fund (NHF) to reach and support vulnerable children and women in North-east Nigeria.

The Opportunity

For the next 12 months, GPON with funding support from ECW-SCI, will be implementing an Education in Emergencies project in **Zamfara and Kastina states**, focusing on improving education in emergencies and protection outcomes for IDPs that involves timely and responsive protection monitoring, capacity building for government, education mainstreaming and stakeholders, awareness-raising on SGBV, case management, and child protection.

The intervention aims to guarantee that all individuals—men, women, boys, and girls, including internally displaced persons (IDPs) and persons with disabilities—receive life-saving integrated responses, ensuring their safety within their communities and timely support in case of harm. GPON will deliver comprehensive services encompassing education in emergencies, child protection, gender-based violence (GBV), and protection coordination, advocacy, and information for the affected populations under First Emergency Response to the Displaced Population in Zamfara, Sokoto, and Katsina States, Northwest Nigeria funded by Education Cannot Wait and jointly implemented under consortium led by SCI.
